

Apprenticeship Target Report 2020 - 2021

Bellevue Place Education Trust (BPET) is a Multi-Academy Trust that maintains nine primary schools, as at 1 January 2022, across London and Berkshire. BPET's core purpose is to maintain and manage successful state funded schools. Eight of our schools are free schools. BPET will reach full capacity in 2022, all schools with Reception – Year 6 cohorts, providing 3,204 primary and nursery school places.

Our mission is to grow hubs of like-minded, autonomous schools, well-supported, all of which combine academic rigour with highly enriched opportunities that deliver a personalised approach to education.
